

Career Essentials

Designed to elevate your career trajectory, Career Essentials is delivered over four sessions 1:1 (online) encompassing career goals, resume review, interview preparation and job search strategies. With a focus on your unique strengths and aspirations, you'll be empowered to make informed decisions and unlock your full potential.

DISCOVERY - SESSION 1 - 60 MINUTES

Dive into a conversation where we uncover your skills and experience and let you define aspirations that shape your personal roadmap to success.

RESUME REVIEW - SESSION 2 - 60 MINUTES

A review of your personal brand including your resume and online. We critique your sales pitch against your experience & skills, suggesting refinements for your next step.

INTERVIEW TECHNIQUE - SESSION 3 - 60 MINUTES

It's time to hear and see you in action! During your mock interview we'll provide direct feedback on your answers and performance, helping you focus and prepare key responses.

WRAP UP - SESSION 4 - 60 MINUTES

To assist your journey we'll provide job search tips, the hidden job market, how to get the attention of employers and recruiters and take a look at some roles available in the market now.

PROGRESS TRACKING AND SUPPORT

Reaching your destination is a cause for celebration! We'll remain available to you for follow ups and advice as you continue your journey.
