## About Family of League

The Family of League Foundation is a membership-based Not for Profit organisation that provides emotional, physical and financial support to the men, women and children of the rugby league community. The Foundation assists grass roots volunteers, past players, administrators and referees across all affiliated levels of the game. It has deductible gift recipient status.

The Family of League has grown into a network of over 5,000 members and over 300 volunteers from 30 dedicated volunteer committees, supported by the small team of nine dedicated staff in the Family of League Sydney Headquarters and Brisbane office.

Originally established as Men of League in 2002, for 22 years the organisation has dedicated more than 10,500 volunteer hours to social and emotional support and provided over \$11 million in financial support to those who have made a demonstrable contribution to rugby league and are 'in genuine need and unable to overcome that need from their own resources'.

In addition to significant grants from the NRL and licensed clubs, Family of League relies heavily on fundraising events that are largely held by its network of committees within their own geographic footprint, along with an annual Queensland lunch and a National event.

VISION: We are a unique, independent game-specific Foundation changing lives through practical assistance, referrals, social and wellbeing support offered in a professional and timely manner to those within the rugby league community who have contributed to the game. We care - financially, socially and emotionally.
