

# Willoughby Leisure Centre Manager

Willoughby City Council

**SPORTSPEOPLE**  
RECRUITMENT

- Newly developed, state-of-the art leisure centre
- Lead the successful launch and long-term sustainable operations
- \$128,000 to \$149,000 pa + super

## About Willoughby City Council

Willoughby City is located in Sydney's northern suburbs - about nine kilometres from the Sydney CBD. With a population of approximately 70,000, Willoughby City is predominantly a residential area but also has substantial industrial and commercial areas, as well as significant bushland areas along the Lane Cove River and the foreshore of Middle Harbour.

## About Willoughby Leisure Centre

Willoughby Leisure Centre is undergoing a once-in-a-generation \$65m upgrade to the pool hall, providing modern aquatic facilities, services and programmes to the community. The upgrade includes:

- 25-metre lap pool with access ramp
- Warmer program pool
- Learn to swim pool
- Toddler pool and play pools
- New spa and sauna
- External cladding and re-roofing of the whole centre
- A range of sustainability and accessibility improvements
- Expanded creche and a new sports hall roof.

Other features of Willoughby Leisure Centre include a health club with fully equipped gym and group fitness; and sports hall with two full sized basketball courts suitable for a wide range of court sports.

The new pool hall is due to open mid-2026 and now requires an experienced leader to manage the facility whilst successfully delivering against strategic objectives and driving both business performance and community outcomes.

# Willoughby Leisure Centre Manager

Reporting to the Director Community, the Willoughby Leisure Centre Manager provides strategic, values-led leadership of Council's leisure and aquatic portfolio.

Leading the successful launch and long-term evolution of the redeveloped Willoughby Leisure Centre, the role drives - the transition from construction to full operations, intentionally building the workforce, systems, processes and a strong safety-first, customer-centric culture. Beyond start-up, the Manager positions WLC as a leading leisure destination on Sydney's lower north shore, delivering exceptional customer experiences, driving participation and loyalty, generating sustainable revenue, and embedding innovation and inclusion across all operations.

Managing an established multidisciplinary leadership team, the role calls for a positive outlook combined with strong, visionary leadership. The successful candidate will be adaptable and resilient, able to roll with the punches and lead confidently through change.

To be considered for this role you will have extensive experience in aquatics, health and fitness centres and the management of community programs, including strategy, policy and program development. You will have a strong track record in managing aquatic operations and asset management, with a demonstrated working knowledge of regulatory frameworks, compliance, risk and safety management. With strong commercial acumen, you will drive sales, marketing and business development, whilst successfully delivering against strategic objectives that benefit the community.

You will need to engage and develop positive relationships with a broad and complex range of stakeholders, including patrons, members, staff, Council and senior Council Executives. You will also have demonstrated success in business planning and operations, including budget and project management, whilst inspiring a customer service and safety focussed culture.

This is an incredible opportunity to establish a newly developed state-of-the art facility as an industry leader and drive the success of this once-in-a-generation project.

# Key Accountabilities

## Strategic Leadership & Vision

- Provide strategic, values-led leadership for the Willoughby Leisure Centre across key phases - operational readiness for launch, membership and program growth through to stabilisation and long-term maturity
- Develop and deliver a Leisure and Aquatic Strategy aligned with the Community Strategic Plan and IP&R framework
- Position WLC competitively in a crowded leisure market, anticipating trends and responding to evolving community needs
- Drive innovation in customer experience, programming, operating models and technology to future-proof the sustainability of the Centre

## Operational Excellence, Asset Stewardship and Sustainability

- Provide informed leadership and oversight of all facilities including aquatic plant, water quality, ventilation and environmental systems, working closely with technical specialists
- Make evidence-based operational decisions that recognise financial, environmental and service impacts while maintaining high safety and customer standards
- Use data to optimise energy use, utilities expenditure, preventative maintenance and contractor performance
- Partner actively with Council asset, sustainability and corporate teams to align operations with asset management and environmental strategies
- Lead key contractors and service providers, intervening and troubleshooting to ensure outcomes, compliance and value for money

## Customer Experience, Community Outcomes and Partnerships

- Champion accessible, inclusive and high-quality leisure services that support health, wellbeing and community connection
- Position the Centre as a trusted, welcoming hub for people of all ages and abilities
- Build strong partnerships with schools, clubs, health providers, community organisations and industry bodies
- Represent Council with professionalism in dealings with elected officials, community stakeholders and commercial partners.

## Business Growth and Financial Stewardship

- Lead the Centre as a complex, multimillion-dollar business unit with strong commercial discipline
- Develop and deliver business plans, budgets and forecasts aligned with Council objectives
- Monitor financial performance, identify trends and take corrective action where required
- Balance community access and inclusion with long-term financial sustainability
- Prepare high-quality reports and recommendations for the Executive and Council

## People Leadership

- Build, inspire, mentor and develop a multidisciplinary workforce of approximately 100 staff, including a large casualised pool.
- Sustain a high-performing, safety-first, customer-centric culture grounded in inclusion, accountability and care
- Lead workforce planning, recruitment, rostering and professional development to ensure capability at start-up and beyond.

## Phase 1. Transition and operational mobilization:

### Manage operational aspects for handover from the construction project team and coordinate activities for a successful opening

- Lead the end-to-end transition from construction to operations, acting as the single point of accountability for operational readiness
- Build the workforce, leadership foundations, systems and ways of working required to establish a strong safety-first, customer-centric and inclusive culture from day one
- Ensure readiness across aquatic operations, plant, water quality, WHS, child safety, risk management and incident response
- Implement and integrate core operational systems including membership, POS, rostering, access control and reporting
- Coordinate all operational readiness inspections, certifications and approvals with regulators, insurers and internal Council stakeholders
- Lead trial operations and soft openings to validate readiness and mitigate operational risk

## Phase 2. Opening and operational growth:

### Approximately the first 12 to 18 months

- Orchestrate and lead a high-profile public opening that establishes community trust, staff confidence and a clear standard for service excellence
- Drive membership acquisition, swim school enrolments and visitation growth
- Embed clear service standards and leadership capability, shaping a confident, safety-first, customer-centric culture across a large and diverse casual workforce
- Refine operating models, rosters, programs and customer flows using real-time data and customer insights
- Set and embed performance management disciplines, using KPIs, dashboards and financial insights to drive accountability and continuous improvement

# Key Responsibilities continued

## Phase 3. Long term maturity: Innovation, optimisation and stabilisation

- Drive continuous improvement in utilisation, participation, yield and customer experience
- Innovate in programming, partnerships and service delivery models
- Build leadership depth, succession capability and long-term workforce sustainability
- Position WLC as a benchmark public aquatic and leisure facility within the region

## Key Challenges

- Balancing community and commercial outcomes: ensuring the new aquatic and leisure facilities deliver exceptional customer experiences while also achieving revenue growth and financial sustainability.
- Competing in a crowded market: positioning WLC as a best-in-class local destination, continuously innovating to attract and retain members and outpace competitors.
- Managing a dynamic workforce: leading a large, casualised and multi-skilled workforce, ensuring service consistency, staff engagement and compliance with WHS and child safety standards.
- Embedding sustainability: integrating environmentally sustainable practices across all aspects of facility operations, consistent with Council's Green City goals.
- Delivering under public scrutiny: operating in a high-profile, community-owned environment where decisions are visible and subject to political and community expectations.
- Coordinating complex operations: balancing swim school, aquatics, fitness, recreation programs and events to maximise utilisation, community benefit and customer loyalty.

# Hours of Work

This is a permanent full time position. Given the unique nature of the recreation industry, flexibility to work outside of office hours, including early mornings, evenings, weekends and public holidays, may be required from time to time to meet operational needs of the centre.

# Location

Willoughby Leisure Centre is located at 2 Small St, Willoughby, NSW.

# Remuneration Guide

An attractive and competitive remuneration package of \$128,000 to \$149,000 per annum plus superannuation will be available to the successful candidate, negotiable depending upon skill level and experiences. At the time of applying, candidates are invited to indicate their current salary and salary expectations.

# Selection Criteria

In addition to demonstrating **relevant experience across the core functional areas of responsibility identified in this Position Overview**, candidates applying for this role will require a range of personal and professional skills, including:

## Qualifications

- Tertiary qualifications in recreation, sport management, business administration or a related discipline; or significant equivalent senior industry experience.

## Required Skills and Experience

- Proven leadership of aquatics, fitness or recreation facilities of comparable scale, with accountability for business growth, customer experience and community outcomes.
- Demonstrated success in launching or transforming facilities, services or programs, with the ability to manage start-up complexity and deliver sustainable outcomes.
- Expertise in aquatics operations, asset management, compliance, risk and safety systems.
- Strong track record in business planning, financial management, contract management and project delivery.
- Comprehensive knowledge of relevant legislative and regulatory frameworks (e.g. Local Government Act, Swimming Pools Act, WHS, child safety).
- Outstanding interpersonal, communication and stakeholder engagement skills, including experience working with elected officials, community groups and industry partners.
- High-level analytical and problem-solving skills, with the ability to use data and insights to drive innovation.

- Demonstrated ability to lead and inspire multidisciplinary teams, including casual and shift-based workforces.
- Experience in change management, workforce planning and embedding cultures of continuous improvement.
- Demonstrated commitment to community development principles in the design and delivery of programs and services.

## Desirable

- Understanding of the complexity of local government, including social, political and regulatory frameworks.
- Experience in swim school program design and growth strategies.
- Knowledge of health and fitness programs, customer service design, and membership acquisition/retention.
- Familiarity with aquatic education development, accreditation and administration.
- Experience securing external funding or sponsorships to support program or facility growth.
- Experience with membership management and point-of-sale systems to support customer service and operational efficiency.

This position will be subject to relevant and ongoing police, working with children, qualification and other probity checks as determined by Council.

## Residency and Immigration

Candidates must be an Australian or New Zealand citizen / permanent resident or have unlimited working rights in Australia to be considered for this position.
